### Captain Yogi's Useless But Important Information

Hello Everyone,

What a month this has been, and WOW. am I proud to be a Parrott Head! If you weren't at this years Annual Jakie Invitational, you missed a great party and a great event put on by some great people for the benefit of the Pennsylvania Wounded Warriors Project. Yes it was steamy hot, but thanks to our beverage wenches, and a great dinner inside, everything was cool. Thanks to all the participants and especially ALL the volunteers. This is the reason we became Parrott Heads.

August has been a great month for music also with all the shows in the area. I know I've seen a couple of events so far and have seen a lot of the Parrott Heads representing our club, and with still more to come, we hope to see as many of our members at all of the events!

As always, if you have any ideas for events or things you might be interested in volunteering for or volunteering the club for, see myself or one of the board members.

### Mini- Golf for the Pa Wounded Warriors

The Second Annual Jakie Invitational held on July 17 at Rich Valley Golf course. It was HOT, HOT, HOT, but over 100 golfers came out to support a great cause. Rich Valley was lined with purple hearts, teams were ready to play for those all important prizes, drink runners were getting their exercise running drinks out to keep people hydrated. There were many raffle and auction items and Nolo's staff cooked up a great meal. When all was said and done the PHIAP raised \$7700 for the PA Wounded Warriors. This will make a huge impact on the lives of those who have served for all of us. Thanks everyone who came out and golfed and to my great committee who made everything run like clockwork.
