## Captain Yogi's—Useless BUT Important information

Hello Everybody!

Wow, it's a busy start to the summer! All kinds of happenings going on this month and next!

We have the 2nd Annual Jakie Invitational Golf Tournament coming up on Sunday, July 17th at Rich Valley Golf Course in Mechanicsburg. If you didn't have the chance to attend last year, don't miss this year! We were able to raise a lot of money for the Pennsylvania Wounded Warriors, and we've challenged ourselves to make even more! The Pennsylvania Wounded Warriors is a great cause that takes care of our military folks in Pennsylvania for any help that they need.

This is a great summer for music in our area also. With Dennis playing at all his normal haunts, Scott Kirby coming to York for his Heritage Hills show, Sir Paul McCartney and Zac Brown coming to Hershey, Buffett in Camden AND a rare Atlantic City Beach Concert, this will be one of the best music summers in a long time!

Don't forget to read over your Tequila Times from last month and review the updated By-Laws. The club will be voting on them at the July Social.

As always, if you have any ideas for events or things you might be interested in volunteering for or volunteering the club for, see me or one of the board members.

I know you always hear this, but everybody please be careful this summer!!

Pool's Open!
