Captain Yogi's Useless But Important Information

Happy New Year Phriends.

New Year, New Club. Oh yea, HAPPY 20th ANNIVERSARY 20th to the Parrot Heads in Amish Paradise!!

I first want to Thank Barb Tyree for all her years of dedication to the club and board (pretty much held every position plus being the Editor of the Tequila Times) and ALL the help she has given me for my first year as your captain. You will be sorely missed , but we know you will still be involved as much as you can. I also want to welcome Scott Brasher, First Mate, and Deb Fink, Scribe to the PHIAP Board. Both will be great addition to the board and looking forward to working with you this year!!

\What a great way to kick it off with that great Christmas Social with Dennis! We had over 45 people there and what a turn out for the homeless jackets, socks, etc... The pick up truck was full!! I know the several originations that we donated to several charities in the area.

So what's on tap for the anniversary year? We're planning several events to both celebrate and attract some new members which means we need YOUR help. We are looking for several committee members for some of the functions we are having this year, so keep a look out for announcements soon!!

I am excited and look forward to the next year as your captain!!

Pools Open (Frozen but open)!

Meet Your New Board Members. This Month – Scott Braasch First Mate

Next Month – Deb Fink, Scribe

Hello Parrotheads,

I wanted to take a second to introduce myself to you all. My name is Scott “Crasher” Braasch and I will be your VP, (First Mate). My wife Kim and I have been non active members of the club for 7 years and all that is about to change. Kim and I have two boys Tyler (16) and Brendan (13). We live in Mechanicsburg and our sons attend Cumberland Valley School District. We own a few companies all deal with the Cheerleading Industry. Some of you may have heard of our gym, Cheer Tyme which is for competitive cheerleaders and is located in Twin Ponds West. We have a second location in Fairfax, VA. We do a lot of traveling, with our teams. Our favorite traveling we do is without our teams, and that is the first week in November, to Key West for MOTM. Our favorite Buffett song is “A Pirate Looks at 40,” we named our back yard after the first words of that song, “Mother Ocean!” For information on parties we host, like our page on Facebook, (Mother Ocean). You can check out a video of Dennis playing, “A Pirate Looks at 40,” on the Mother Ocean Stage. My main goal this year is to increase our membership. I have assisted, with several others, on streamlining our marketing efforts through the Web Site, Social Media presence, Tequila Times Newsletters, Activities, & Socials. This is our 20th year Anniversary and there are several great things happening this year, we hope many of you will get more involved as well. I am happy to have developed a relationship with Gullifty’s so we now have a consistent monthly Social Venue. I look forward to meeting everyone and hopefully getting many people involved in our awesome club. Let’s Party With A Purpose!

Haul For The Homeless

Thank you again EVERYONE for your donations of jackets, sweat shirts, socks and other assorted items. We had a full truck and a lot of happy shelters for the winter season. Pictured below is just one of the loads and one of the shelter recipients, Iris Thomas with Susquehanna Safe Harbor. Donations were also made to Carlisle Cares and Join Hands of Perry County
